Subject: Microsoft Settlement

To Whom it May Concern:

I understand that we are in a public comment period between now and January 28th after which the District Court will determine whether the Microsoft settlement is in the "public interest." As a concerned citizen and a taxpayer, I am writing to tell you that I believe the settlement is fair and just and that I believe that the case should be settled so we can all move forward.

This case has been a complete waste of the taxpayers' money and has done much damage to Microsoft, one of the most important engines in our entire economy. Let's settle this case and get it behind us.

Regards,
William Kennedy
